CONSTITUTION - BYLAWS**

**[A Florida State Non-Profit Corporation]**

**FORWARD AIR CONTROLLER'S ASSOCIATION, INCORPORATED,  
BYLAWS**

**PREAMBLE**

The needs for accurate placement of ordnance onto chosen targets have existed since the beginnings of modern warfare. These needs grew and became more complicated as the abilities to strike targets, especially by air, became more sophisticated. With the growth of systems to deliver ordnance by aircraft came new and innovative ways to place this ordnance with greater precision. Thus, Forward Air Control -- the "eyes and ears" of air to ground battlefield and air interdiction operations -- was born. Forward Air Controllers, mastering the complicated and deadly art of their work, have set high records of bravery and achievement at great risk and loss of life over countless battlefields, in our nation's wars. Desiring to memorialize the risky and complicated nature of this work, and determined to tell others of the heroic achievements of Forward Air Controllers in the service of our country, we do bind ourselves together in camaraderie, love, and respect, and form the Forward Air Controllers Association in pursuit of these worthy aims.
