Dear members of the Forward Air Controllers Association,

On behalf of the Air Commando Heritage Foundation, I want to extend our heartfelt gratitude for your generous donation of \$10,000 on March 4, 2025. Your support plays a vital role in our mission to raise funds for the development and sustainment of an Air Commando Museum in the Hurlburt Field Air Park.

This museum will preserve and portray the history of all Air Commandos. Together we will inspire and educate our visitors, recruit the future force, and generate pride in former, current and future Air Force Special Operations personnel.

Your generosity truly makes a difference—not only in helping us achieve this goal but also in shaping the future of Air force Special Operations. We deeply appreciate your commitment to our shared mission and our nation.

Thank you again for your invaluable support!

Sincerely,
