

Invitation to Join Forces for FAC FEST

Dear Friends and Fellow Enthusiasts,

The OV-10 Bronco Association (OBA) is excited to extend a special invitation to you to join forces in a new, exhilarating venture — **FAC FEST!**

As an outgrowth of our beloved Bronco Fest, FAC FEST will bring together current and past Flyers, Fixers, and Fans of the OV-10 Bronco and other FAC and associated aircraft. Our mission? To preserve the rich history, heritage, and stories of all those who have been part of the Forward Air Control (FAC) missions.

Imagine it as *Bronco Fest* with a fresh twist—new set of clothes, and of course, a cowboy hat! We invite you to be part of this exciting reunion where history comes alive, and friendships are rekindled.

Whether you're a pilot, mechanic, **AO, translator**, or **just** a fan who has shared the passion for the Bronco, Bird Dog, Skymaster, F-100, Phantom, or whatever, FAC FEST will celebrate your connection to these these legendary aircraft and it's their vital role in the FAC missions.

Together, we can preserve the legacy and keep the spirit of the Forward Air Control mission flying high for generations to come.

Join us for FAC FEST—where history meets camaraderie, and the Bronco family reunites!

Please consider this venture as you answer the survey questionnaire linked below! The due date to respond to the survey is 1/19/2025.
