**Subject:** In Search of 20th TASS Photos

Sir,

As you may remember, I am the Historian for the 20th ATKS (formerly 20th TASS). We are currently overhauling our Heritage Room and a heritage cabinet with a 20th TASS theme to honor our lineage during and after the Vietnam War. The 20th has been reactivated many times at many bases throughout its history, so the Whiteman AFB and Creech AFB Historians don't have a lot of records on our unit.

I wanted to reach out to see if you could fire out a message on the FACNET/post on the FAC website NOTAM Board that we are in need of photographs from veterans of the 20th TASS. We are looking mainly for higher resolution photographs of members of the unit that can be printed as large as 16x20 to put into a gallery wall, but I will take anything folks have. Scanned photos can be sent to me at [20atkshistorian@gmail.com](mailto:20atkshistorian@gmail.com).

Any help would be greatly appreciated. Thank you!

Very Respectfully,

Jared Del Orfano
